

# The Programme of Inquiry for the PYP in the Early Childhood Years (3–5 years)

## Time Allocation

The length of the unit, which may be from several weeks (c) to one year (a), is at the discretion of the teacher.

- (a) A unit may be developed continually throughout the year.
- (b) A unit may be revisited once or on more than one occasion during the year.
- (c) A unit may have a discrete beginning and a discrete end, during the course of the year, and last for several weeks.
- (d) Another unit may be developed at the same time as an ongoing unit, eg (a) and (c) or any other combination.
